FREE Online event in partnership with the International Conference "The Future of Education"

The OPENLang Network consortium welcomes you to the first Multiplier Event of the EU funded project OPENLang Network [Open Languages & Cultures Network], entitled:

"Connecting Erasmus+ mobility participants in Open Language Learning Environments that promote linguistic and cultural awareness"

Join our event which is organised by PIXEL and you will have the chance to find out more about the activities of the OPENLang Network project as well as to meet our inspirational keynote speakers:

Prof. **Laia Canals,** Department of Humanities, Open University of Catalonia (Spain)

Prof. **Carmen Holotescu**, Dean of the "Ioan Slavici" University of Timișoara and Director of the Center for OE and Blockchain (Romania)

For more information about the OPENLang NETWORK project visit:
https://www.openlangnet.eu/

Don't forget to follow the updates also on our social channels LinkedIn, Facebook, or Twitter!!
